When must I complete Part C of Form LM-30?

Part C consists of Items 13 and 14. You must complete Part C if you received any payment of money or other thing of value from any employer not covered under Part A or B or from any labor relations consultant to an employer. You are not required to report any payments of the kind referred to in section 302(c) of the Labor Management Relations Act (a list of these types of payments is available on the OLMS Web site). You are also not required to report bona fide loans, interest, or dividends from banks, credit unions, savings and loan associations, insurance companies, or other bona fide credit institutions. Regardless of these exemptions, you must report any payments (1) not to organize employees, (2) to influence employees in any way with respect to their right to organize, (3) to take any action with respect to the status of employees or others as members of a labor organization, and (4) to take any action with respect to bargaining or dealing with employers whose employees your organization represents or actively seeks to represent.

What are some examples of situations that I must report in Part C?

- You are a union officer and are running for a local public office. Employers in the industry organized by your union make campaign contributions. This is reportable under Part C. (If a contribution were made by an employer whose employees your union represents or actively seeks to represent, you must complete Part A.)
- You are a union employee involved in obtaining accounting services for your union. An accountant that your union does not do business with gives you a holiday gift of golf clubs. This is a reportable in Part C.
- You are a local union president. An employer outside the jurisdiction of your local offers your 20-year old daughter a paid summer internship on the understanding that you will seek to have your members go on strike against an employer who is one of their competitors. Your daughter's income and benefits from the internship are reportable.
- You are an officer of a national union. Your wife is hired as a senior executive of an employer on the understanding that your union will not seek to organize that employer. Your wife's interest in the employer and any payments or benefits she received from it are reportable.
